DECEIVED

## Notice of Completion of Groundwater Appropriation ENGINEER Without Well

(Under Chapter 237 Montana Session Laws, 1961)

		4 4 £			Date of Appropriation of Groundwater
					Owner George Cox Address Filsall, Kontana.
					Contractor (if any)
					Address of Contractor
					Date Started Date Completed
		N .	1		Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to
					water when applicable springs
					pasin, 3 foet deep,
					<b>E</b>
					Quantity of water developed and used with explanation of methoused to measure or estimate such amount. If use is intermitted
X					estimate approximate lengths of periods of use
Tr	dicate	Sec. <b>6</b>	T;	R.93.	Springs runnonstantly, at about 20 inches per
81	d plac	e of use,	, if pos	sible.	ni mika.
		;			
	48.5				Signature of Owner Stand Con
					Date December 11, 1963.

This form to be prepared by contractor (if any), otherwise by the owner,

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
